# Meadow Brook Shorthorns

EUTAW,  
ALABAMA

Royal Stamp Sired These Calves.  
First in Calf Herd, Get of Sire, Produce of Cow at Birmingham and Atlanta and Other Places.

SALE AT CHICAGO, ILLINOIS, 10:00 A. M., WEDNESDAY, JUNE 2, 1920  
INTERNATIONAL STOCK YARDS PAVILION

## A Word as to These Cattle

This draft of Shorthorns from the Meadow Brook herd is one of the valuable collections to be sold this season. All are young, richly bred and for the most part are the get of bulls of renown, and belong to the most desirable tribes of the breed. They are, however, made doubly attractive because most of them are bred to that good bull Royal Stamp, the great Anoka production, placed in service in this herd a few years ago at a cost of \$5,000.00. He is the type of a bull that makes a good sire and his first crop of calves dropped at Meadow Brook were the winners at Atlanta, Birmingham and other Southern shows. They are the real things in up-to-date Shorthorns and the kind that should be produced by the females carrying a service to him in this sale. The writer commends this offering most heartily to those who are in the market for good things. They are offered by one of the most progressive and most deserving men in the breed.

By Geo. E. Martin, of The Breeder's Gazette.

## Announcement

I extend a cordial invitation to all breeders interested in good cattle to attend my sale and feel sure that those who come will not be disappointed, as my cattle are invariably extra good, and the pedigrees herein catalogued represent some of the best and most popular blood lines of the Shorthorn breed. Practically all of these heifers, together with a few splendid cows, have been bred to Royal Stamp. Especial attention is called to Royal Stamp's first calf, Meadow Brook Stamp, a grand individual, and stood first in his class last season. Also note the splendid two-year-old bull, Meadow Brook Gloster. These are the only two bulls offered.

This remarkable collection of heifers include those bred at Meadow Brook Farm, those calved at Meadow Brook Farm and the balance selected with the utmost care as to pedigree, type, color, size and heads, all having been bred to Royal Stamp with the exception of a few of his own calves, the oldest of which are just now arriving at sale age. Such men as George E. Martin of the Breeder's Gazette, Wm. Johnson of the Shorthorn World, and Park E. Salter, one of the large Western Breeders, who have been on Meadow Brook Farm recently, state Royal Stamp has no superior as a breeding bull in the United States today, the calves on Meadow Brook Farm showing for themselves in uniformity of size, color, mellowness of hide and general attractiveness. The bevy of matrons shown on outside page are illustrative of the character and type of females being bred to Royal Stamp.

## Our Warranty

Cows with calves in sale under one year or forward in calf shall be considered breeders without any further guarantee; all females of breeding age which have been bred are guaranteed breeders. Both bulls are guaranteed breeders with proper care. If any animal does not measure up to this guarantee, we reserve the right to have such animal, in good condition, returned to our farm, and if, after six months, is still barren, we will return the purchase price, or another animal of equal value will be given in exchange, but if it proves a breeder, it will be returned to purchaser at his expense. Any female not proving in calf by Royal Stamp I will be glad to take care of such animal, breeding her again to Royal Stamp without any expense while at Meadow Brook Farm, but the freight charges and responsibility must be borne by the owner. A sixty day retest will be allowed provided the animal is kept in separate quarantine pen where there has been no tubercular cattle kept.

## Terms

Cash or short time note bearing 8% interest from date of sale. Any one not personally known who desires to give note for purchase, will please bring bank recommendations.

All stock at buyer's risk after bid off.

Purchasers unable to attend sale may mail bids to Col. Carey M. Jones, Mr. George E. Martin of the Breeder's Gazette, Mr. Wm. Johnson of the Shorthorn World, or Mr. Fred V. Johnson of the Iowa Homestead.

**Royal Stamp:** When I bought this bull as a calf, George E. Martin wrote "From a bull of such merit and blood lines, nothing but good may be expected in his get." How true this prediction has proven is demonstrated in the uniformity and beauty of his calves as shown on the cover of this catalog. We have many of his splendid calves on the farm; unfortunately, only a few of his calves were old enough to get in this sale. His calves winning "Calf Herd," "Get of Sire," and "Produce of Cow" last season.

George E. Martin and Will Johnson have been on Meadow Brook Farm recently and they declared he is one of the greatest outstanding breeding bulls of the Shorthorn breed today.

Practically all of these beautiful females are bred to him and I only regret that I can not retain them in my herd as I was advised to do by Mr. Frank W. Harding on account of the fact that they were such splendid individuals with such good pedigrees.

"Royal Stamp is getting top cattle, and this Gazette representative believes is destined to make a remarkable record in the Meadow Brook Herd."—(Copied from Breeders' Gazette)

I bought this heifer in Heart's Delight Congress Sale in 1919—note what her former owner has to say: "This is by far the best heifer in the sale and the very BEST heifer we ever bred. She is by Right Stamp, and this heifer is a full sister to the young white bull we are keeping for sire. She is a wonderful show prospect, and made so neat she cannot go wrong. She is a far better heifer than the Augusta heifer sold for \$4,025 in June, 1918." She has developed splendidly since I have owned her.
